**Subject: Completion/Closure of APARs in SPARROW-IRS for APAR cycle 2019-20 -reg.**

**Sir/Madam,**

Please refer to this office letter of even no. dated 04.03.2021 circulating Zone/Directorate-wise APAR 2019-20 pendency position in SPARROW-IRS with a request for completion of all pending APARs by concerned officers/custodians. (Copy enclosed).

2. In this connection, it may be pertinent to mention that although the timelines for APAR cycle 2019-20 are already over, requisite action to fully close the APARs/NRCs in the system is still pending either at level of officers concerned or at level of custodians. As on date, a total of 1094 APARs/NRCs of Group 'A' IRS Officers for 2019-20 cycle are still pending closure. It is observed that in some cases, APARs after due disclosure continues to lie with the officers. In other cases, they are pending at the level of Custodians in their account at various stages i.e. CR Section for Closing, Representation/CR Section etc. Some representations, despite being time bound are also pending with the reporting and reviewing authorities for their comments.

3. It may be noted that NIC would be closing the APAR cycle 2019-20 on **20th July, 2021**. After such closure by NIC, no action can be undertaken in the system on pending APARs/NRCs for 2019-20. Therefore, in cases where the requisite actions/steps are not completed in system by the officer concerned/custodian before closure by NIC, officers may suffer /face difficulty for such APARs/NRCs at later stage. APARs attain finality and become available in system for view/retrieval only after final closure of the APAR by the custodians in the system (after completion of all steps). It is therefore kindly requested to impress upon all Officers and Custodians in your jurisdiction to complete the requisite action on APAR 2019-20 **latest by 15th July, 2021**. A detailed list of such pending APARs is enclosed. The same is also being posted on DGHRD website.

The matter may be treated as most urgent.

**Encl:** As above
